WHO WE ARE

ACUMA is an organization of and for credit unions, dedicated to the simple principle that credit unions have both an obligation and a competitive need to become a “premier provider of home loans for their memberships.”

ACUMA brings together the shared real estate lending and financing interests of thousands of credit unions and CUSOs.

ACUMA member organizations include federal- and state-chartered credit unions and CUSOs, mortgage insurance companies, secondary market investors and investment banking firms, and technology companies operating in the field of mortgage banking.

OUR CORE VALUES

- 1 We are a non-profit trade association committed to promoting credit union mortgage lending proactively, positively, but not politically.
- 2 Our members are our owners and are treated as such.
- 3 We are committed to helping the Realtor community understand credit unions and the value they bring to promoting home ownership.
- 4 We maintain a high level of fiscal responsibility while ensuring that membership provides access to all employees of the credit union or CUSO, and that events are high quality yet affordable.
- 5 We provide exceptional education and networking, using experts from the mortgage banking, leadership and credit union communities.
